15 December 2021

COMPLETION OF MT CARLTON DIVESTMENT FOR UP TO A\$90 MILLION

Evolution Mining Limited (ASX:EVN) (“Evolution”) advises that the sale of the Mt Carlton gold mine to Navarre Minerals Limited (ASX:NML) (“Navarre”) has successfully completed. Evolution has received the upfront consideration of A\$40 million comprising A\$26.8 million in cash and 176,565,396 Navarre shares¹, which equates to a 12.9% shareholding in Navarre.

The sale agreement also includes additional payments of:

- Up to A\$25 million contingent consideration payable on cumulative gold production milestones from Crush Creek with A\$5 million payable upon achievement of 50,000 ounces, A\$5 million payable upon achievement of 100,000 ounces and A\$15 million payable upon achievement of 175,000 ounces; and
- Up to A\$25 million contingent consideration payable in the form of a 5% gold price linked royalty where the average spot gold price is greater than A\$2,250/oz in a given quarter. The royalty is payable on production from both Mt Carlton and Crush Creek from 1 July 2023 for up to 15 years.

Evolution will continue to provide transitional support services to Navarre for the following three months to ensure a safe and smooth transition of ownership.

This announcement has been authorised for release to the ASX by the Executive Chairman.
