

Cowal Gold Operations (CGO)
Complaints Register 1st April – 30th April 2023

Schedule 2 of the Development Consent (DA 14/98) includes Condition 9.4(a)(v), which requires that a complaint register, updated on a monthly basis, be made publicly available on the Cowal Gold Project's website.

DETAILS	<p>21/4/2023</p> <p>Received an email through CGO community from nearby neighbour notifying of a recent blast that seemed excessive, requesting blast monitoring data.</p> <p>They also communicated that EVN employees had accessed property without permission.</p> <p>On investigation EVN employees had accessed property to clear debris around monitor. Evolution was notified on the 13th of April by the blasting compliance consultant that the monitor had failed, hence Evolution again accessing property to assess and make repairs.</p> <p>Monitor has since been repaired. Monitoring data from nearby neighbours was supplied and showed blast were within approved levels.</p> <p>EVN employees have been notified to contact landholders before entering any properties.</p>
