

ASX Announcement

06 March 2024

APPOINTMENT OF CHIEF TECHNICAL OFFICER

Evolution Mining Limited (ASX:EVN) (“Evolution”) is pleased to announce the appointment of Ms. Nancy Guay as Chief Technical Officer (CTO) accountable for various technical functions including studies, projects, long term planning, and technical services.

Ms. Guay has a Bachelor of Applied Science (Mining and Processing) with more than 30 years’ experience in the mining sector, including extensive technical and operational expertise.

Ms. Guay has worked in various locations and roles with Canada and Australia. She most recently held the role of VP - Technology, Optimisation, and Innovation at Agnico Eagle Mines with oversight of twelve (12) operations worldwide including the Fosterville Gold mine in Victoria.

Ms. Guay will commence with Evolution on 1 June 2024.

Commenting on the appointment, Managing Director and Chief Executive Officer, Lawrie Conway, said:

“I am delighted that Nancy has agreed to join Evolution as our Chief Technical Officer. Nancy has extensive technical and operational experience in the mining sector for over 30 years. She will be a great addition to Evolution and our Leadership Team. We look forward to her joining us.”

Commenting on her appointment, Ms. Guay, said:

“This appointment marks a milestone in my career, and I am honoured and excited about this opportunity to join the Evolution team. I am looking forward to working with the teams to make a contribution that will create value for the company.”

Approval

This announcement is authorised by Managing Director and CEO, Lawrie Conway.
