The Board is committed to appointing the best person into any position in the Company and where multiple candidates are capable for any position, preference will be provided to female candidates. In support of this objective, the Board has recently announced the appointment of a female non-executive director, Ms Andrea Hall, effective 1 October 2017. In relation to operational roles, the Company believes focusing the Graduate Program is a good way to increase the representation of females in the business who can be developed into our future leaders. In this area, it is pleasing to note that for the 2017 Graduate Program, 44% of the graduates who were successfully appointed are female against a target of 30%.</p> <p>The Company builds strong relationships with its Aboriginal and Torres Strait Islander communities and have targeted training and employment programs in place to encourage greater ATSI participation in the Company's workforce. Management performance is formally reviewed twice per year. The criterion for the evaluation of the Executive Chairman and Senior Executives is their performance against agreed key performance indicators. The performance of Senior Executives, including the Executive Chairman is also periodically assessed by way of a 360 degree appraisal process, after which the results are reviewed and discussed with each Executive. The outcomes of the Senior Executive's annual performance review are discussed with the Board. The performance of the Executive Chairman is also monitored and assessed by the members of the Nomination and Remuneration Committee, as input to determine future remuneration.</p> <p>The Board periodically reviews its own performance and that of the individual Directors with the most recent review having been conducted by Mr Johnstone, Lead Independent Director, in the 2017 financial year. The process involved each Director completing a questionnaire which included:</p> <ul style="list-style-type: none"> <li>• a self-evaluation component</li> <li>• an individual feedback component</li> <li>• the composition of the Board and the Committees</li> <li>• the effectiveness of the performance of the Board, the Committees and individual Directors</li> </ul> <p>The results of the review were circulated to all Board members and discussed at a subsequent workshop.</p>

RECOMMENDATION	EVOLUTION'S COMPLIANCE WITH RECOMMENDATIONS
<p><b>2.2</b> A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.</p>	<p><b>Board Composition</b></p> <p>The membership of the Board is reviewed by the Board from time to time, having regard to the ongoing requirements of the Company. The objective is that the Board should be of a size and composition that is conducive to effective decision making with the benefit of a variety of perspectives, skills and experience. As at 30 June 2017, the Board comprised of eight Directors, including Mr Klein, who is the Executive Chairman, and Mr Conway, who is the Finance Director and six Non-Executive Directors. Following the completion of the La Mancha transaction on 24 August 2015, Mr Sawiris and Mr de Montessus were appointed as Directors with effect from 1 September 2015. Mr Benoit and Mr El Adawy were appointed as their alternates. Under the Board Charter, the composition of the Board should comprise a majority of Non-Executive Directors who should also be independent directors. With the retirement of Mr John Rowe in 2016, the number of independent directors decreased, such that there was equal proportion of independent and non-independent directors which proportion the Board committed to address as part of the Board renewal process. In this regard, the Company recently announced the appointment of Ms Hall, an independent director, who joined the Board on 1 October 2017, increasing the proportion of independent directors to a majority from that date. The current six Non-Executive Directors have a mix of commercial, exploration, project development, mining and financial skills and experience. The Board believes that with the addition of Ms Hall, the composition, diversity of skills and experience is appropriate to effectively review and challenge the performance of Management and to exercise independent judgement in discharging their responsibilities and in making decisions.</p> <p>Each Director has the right of access to all Company information and to Senior Executives. Further, each Director and the Board collectively, subject to informing and with the approval of the Executive Chairman, has the right to seek independent professional advice from a suitably qualified advisor, at the Company's expense, to assist them to carry out their responsibilities. Where appropriate, a copy of this advice is to be made available to all other members of the Board. Further details about the Directors including skills, experience and term of office are set out on pages 80 to 83 of the 2017 Annual Report. In addition to the Annual Report, the table on the following page sets out the skills, attributes and experience of the Directors serving on the Board as at 30 June 2017.</p>

RECOMMENDATION	EVOLUTION'S COMPLIANCE WITH RECOMMENDATIONS
<p><b>2.3</b> A listed entity should disclose:</p> <p>(a) the names of the directors considered by the board to be independent directors;</p> <p>(b) if a director has an interest, position, association or relationship of the type described but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and</p> <p>(c) the length of service of each director.</p> <p><b>2.4</b> A majority of the board of a listed entity should be independent directors.</p>	<p><b>Independence</b></p> <p>The Company recognises the importance of Non-Executive Directors and the external perspective and advice that Non-Executive Directors can offer, and the importance of ensuring that Directors are free from interests and relationships that could or could reasonably be perceived to materially interfere with the Director's ability to exercise independent judgement and act in the Company's best interests.</p> <p>It is the approach and attitude of each Non-Executive Director which determines independence and this must be considered in relation to each Director, while taking into account all other relevant factors including whether the Director:</p> <ul style="list-style-type: none"> <li>• is a substantial shareholder of the Company or a representative or officer or founding shareholder of a substantial shareholder</li> <li>• has been employed by the Company in an executive capacity within the last three years</li> <li>• has been a principal or employee of a material professional advisor or consultant to the Company within the last three years</li> <li>• has been a substantial supplier or customer of the Company or related bodies corporate</li> <li>• has a material contractual relationship with the Company</li> <li>• has any interest, or any business or other relationship which could or could reasonably be perceived to materially interfere with the Independent Non-Executive Director's ability to act in the best interests of the Company</li> </ul> <p>Determination of the independence of each Director is made with reference to the factors set out above. As at 30 June 2017, the Board was comprised of an equal number of independent and non-independent Directors. With the appointment of independent director Ms Andrea Hall, effective 1 October 2017, the Board comprises a majority of independent directors.</p> <p>The Board, at least annually, assesses the independence of its Non-Executive Directors. This assessment may occur more than once each year if there is a change in circumstances that may impact upon the independence of a Non-Executive Director. Individual Directors must not participate in assessing their own independence, and must provide to the Board all information relevant to the assessment. In assessing independence, the Board considers all circumstances relevant to determining whether the Non-Executive Director is free from any interest and any business or other relationship which could, or could reasonably be perceived to materially interfere with that Director's ability to exercise unfettered and independent judgement on Company issues. Directors are required to take into consideration any potential conflicts of interest when accepting appointments to other boards.</p> <p>Directors are initially appointed by the full Board subject to election by shareholders at the next general meeting. Under the Company's constitution the tenure of a Director is subject to reappointment by shareholders not later than the third anniversary following his or her last appointment. There is no maximum age for Directors.</p> <p>The Board has made the determination that Mr Freestone, Mr McKeith, Mr Askew and Mr Johnstone are Independent Directors. Mr Conway is the Finance Director and Chief Financial Officer and is therefore not considered to be independent. By virtue of La Mancha's 26.87%* shareholding in the Company, Mr Sawiris and Mr de Montessus, who both joined the Board on 1 September 2015, are not considered to be independent.</p> <p><small>*Relevant interest (as at 2 October 2017)</small></p>

The length of service and an assessment of the independence of each director is detailed in the table below.

Name of Director	Position	Length of Service (as at June 30 2017)	Independent

Mr Thomas (Tommy) McKeith	Non-Executive Director	3 years 6 months	Yes

RECOMMENDATION	EVOLUTION'S COMPLIANCE WITH RECOMMENDATIONS
<p><b>2.5</b> The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.</p>	<p><b>Chair of the Board</b></p> <p>Mr Klein is the Executive Chairman of the Company. In this role, Mr Klein is required to operate as the Chairman of the Board and also in the capacity of a role equivalent to a Chief Executive Officer. As a result, there is not a clear division of responsibility between these functions, and as an Executive Chairman, Mr Klein is not independent of the Company. Notwithstanding the ASX Corporate Governance Council's recommendation that listed companies should have an independent director as Chairman, the Board believes Mr Klein to be most appropriate person to act as Chairman of the Company at this time for the reasons set out below:</p> <p>Mr Klein was instrumental in the formation of Evolution Mining and since his appointment to the Board in 2011, has overseen its rapid growth and success, helping to create Australia's second largest gold producer and one of the lowest cost gold producers globally. He has extensive skills and experience in managing and developing mining companies. The dual role of Mr Klein is balanced by the appointment of Mr Johnstone as Lead Independent Director (effective from 25 November 2015, replacing Mr. Freestone). In this role, Mr Johnstone chairs the discussions of the Non-Executive Directors and represents the Board and the Company in situations where the Executive Chairman may be conflicted. As such the Board believes Mr Klein is the best person to undertake the Executive Chairman role and does not believe it is necessary at this stage to appoint an Independent Chair of the Board.</p>
<p><b>2.6</b> A listed entity should have a program for inducting new directors and provide appropriate professional development opportunities for directors to develop and maintain the skills and knowledge needed to perform their role as directors effectively.</p>	<p><b>Induction</b></p> <p>All new Directors are appointed through a written agreement with the Company that sets out all their duties, rights and responsibilities. In addition, the Company Secretary is responsible for ensuring that the new Directors are provided with an information pack consisting of a detailed overview of the strategy, vision and values of the Company, details of each operation, the Company and organisational structure, and the constitution, policies and charters of the Company. New Directors are also provided with the Board schedule and have the opportunity to visit at least two of the operations each year on a rotational basis as part of the familiarisation process. During the year ended 30 June 2017, the Board visited the Cowal, Edna May, Mungari and Mt Carlton operations.</p>

## PRINCIPLE 3: ACT ETHICALLY AND RESPONSIBLY

RECOMMENDATION	EVOLUTION'S COMPLIANCE WITH RECOMMENDATIONS
<p><b>3.1</b> A listed entity should:</p> <p>(a) have a code of conduct for its directors, senior executives and employees; and</p> <p>(b) disclose that code or a summary of it.</p>	<p><b>Code of Conduct</b></p> <p>The Board has adopted a Board Code of Conduct that deals with:</p> <ul style="list-style-type: none"> <li>• obligations under legislation</li> <li>• personal behaviour</li> <li>• conflicts of interest</li> <li>• remuneration, expenses and other benefits</li> <li>• access to information and records</li> <li>• trading in Company securities</li> </ul> <p>One of the Board's key aims is to avoid conflicts of interest (both real and apparent) and to ensure that all Board issues receive proper consideration, unfettered by outside or personal influences. If a conflict does exist, there are various courses of action available, depending upon the significance of the conflict.</p> <p>A copy of the Board Code of Conduct Policy is available on the Company's corporate governance page on the Company's website or can be accessed via <a href="#">this link</a>.</p> <p>In addition, as part of its commitment to recognising its legal obligations, the legitimate expectations of stakeholders and promoting practices necessary to maintain confidence in the Company's integrity, the Company has established a Code of Conduct that applies to all Directors, employees and contractors.</p> <p>The code aims to provide guidance on the standards of personal and corporate behaviour and the responsibility and accountability required of the Company's personnel for reporting and investigating unethical practices. The code contains practices necessary to maintain external stakeholders' confidence in the Company's integrity, the practices necessary to take into account their legal obligations and the responsibilities of individuals for reporting and investigating reports of unethical practices.</p>

### Audit Committee

The Board has established an Audit Committee to assist the Board to safeguard the integrity of financial reporting. The responsibilities of the Committee are set out in a formal Charter approved by the Board. This Charter is available on the Company's corporate governance page on the Company's website or can be accessed via [this link](#).

The Audit Committee currently comprises three Non-Executive Directors. Mr Freestone is the Chair of the Audit Committee and an independent Non-Executive Director. Mr McKeith and Mr Johnstone, both Non-Executive Directors, are also members of the Committee.

The composition of the Audit Committee satisfies the Board's requirements in performing the Committee's function given the size and complexity of the business at present. There were no changes to the composition of the Audit Committee during the financial year. Subsequent to the 2017 financial year end, the Company has advised that Ms Hall has been appointed to the Board and the Audit Committee with effect from 1 October 2017. The Executive Chairman, the Chief Financial Officer, senior members of the finance team and the external auditor attend Committee meetings at the discretion of the Committee. Other Board members are invited to attend these meetings.

Further details of the members of the Audit Committee and their attendance at Committee meetings are set out below and in the Directors' Report section of the Annual Report.

The Charter sets out the purpose, membership, responsibilities, authority and reporting requirements of the Committee. The primary responsibilities of the Committee are detailed in Charter and include the following areas:

## EVOLUTION'S COMPLIANCE WITH RECOMMENDATIONS

The Board (with the assistance of the Nomination and Remuneration Committee) has established a policy to ensure that it remunerates fairly and responsibly. The remuneration philosophy of the Board is designed to ensure that the level and composition of remuneration is competitive, reasonable and appropriate for the results delivered and to attract and maintain talented and motivated Directors and employees. The Nomination and Remuneration Committee is responsible for the oversight of the Company's Performance Rights and the related plan.

Prior to the merger with Conquest Mining Limited (Conquest) and the acquisition of the two assets from Newcrest Mining Limited (Newcrest), the Company established a Remuneration Advisory Committee comprising members from each of the Company, Conquest and Newcrest. This Committee was charged with the responsibility for making recommendations to the Board regarding the principles of remuneration to be applied to the Key Management Personnel (KMP) of the Company, having regard to the ASX corporate governance principles and the remuneration practices of Australian mining companies of a comparable size to the Company.

The Remuneration Advisory Committee engaged an independent remuneration consultant, Mercer Australia, (Mercer) to prepare a report to assist the Nomination and Remuneration Committee (The Mercer Report), amongst other items to determine the appropriate levels for Non-Executive Directors fees and KMP remuneration. The Remuneration Advisory Committee was replaced by the Nomination and Remuneration Committee upon the formation of the Company in October 2011. The recommendations of the Mercer Report were adopted by the Board, having regard for the aggregate maximum Directors' fee pool limit, which is currently set at A\$950,000 for Non-Executive Directors. This limit is set by shareholders at an Annual General Meeting.

Following an independent review of the fees paid to the Company's Non-Executive Directors (NEDs) in 2016 by Mercer, the Board and the Remuneration Committee determined that annual remuneration paid to NEDs will be delivered partially in cash and partially in equity, under the NED Equity Plan (Plan) approved by shareholders at the Annual General Meeting held on 24 November 2016. Under the Plan, NEDs are granted Share Rights as part of their remuneration. The number of Share Rights granted is calculated in accordance with the following formula:

"Equity Amount" (A\$) for the financial year/Value per Share Right

Where:

- "Equity Amount" is an amount determined by the Board having regard to the level of board and committee fees paid in cash and independent advice received. For FY17, the Equity Amount is A\$40,000 for each Non-Executive Director
- The Value per Share Right is the volume weighted average price (VWAP) of Evolution's ordinary shares traded on the ASX over the 5 day trading period up to and including 30 June each year. For FY17, the VWAP used to determine the number of share rights granted to each Non-Executive Director was A\$2.4542

Non-Executive Directors do not receive retirement benefits, other than statutory superannuation entitlements.

Further details on the structure of Executive Directors', Non-Executive Directors' and KMP remuneration are set out in the Remuneration Report in the Directors' Report section of the Annual Report.

Personnel of the Company are not permitted to enter into transactions which limit the economic risk of any unvested entitlements awarded under any equity-based remuneration scheme, or otherwise awarded, or which will be offered by the Company in the future.
